

CURRICULUM VITAE**Suja Chandrasekaran**

Board member*
Barry Callebaut AG

Suja Chandrasekaran lives in the United States and is a national of Australia, India and the USA. She holds a Master of Business Systems from Monash University, Australia, and a Bachelors in Electrical Engineering from the University of Madras, India. She also participated in an executive development program at the London Business School.

Suja Chandrasekaran is a technology executive and corporate board member with a track record promoting transformation, profitability and agility in high growth entities. Suja currently leads all technology, digital, data applications and cyber security capabilities globally as Chief Information Officer of Kimberly-Clark (K-C) where she is part of the leadership team.

Suja is further a non-executive board member at public and private businesses. Suja is a non-executive board member at American Eagle Outfitters (NYSE: AEO) and has previously served in the board of Symphony Retail AI, a successful data, AI and tech company.

Prior to joining K-C, Suja served as SVP, Global Chief Technology and Data Officer at Walmart Inc. Prior to Walmart, Suja worked at The Timberland Company where she served as the Global Chief Information Officer. Suja has also held executive roles in PepsiCo and Nestlé Americas.

Across her various leadership roles, she has successfully helped and led companies transform across various components of digital transformation. Suja is an industry expert in Digital marketing, eCommerce, Omnichannel, Artificial Intelligence and scaled enterprise digital transformations. Suja brings significant business technology, people/organizational leadership, M&A experiences and global consumer and regulatory perspectives.
